    participant A
    participant B as RESOURCE REALLOCATOR 109
    A->>B: 104
    B-->A: 106
    A->>B: 110
    B-->A: 114
```

The diagram illustrates a sequence of four messages between two vertical lifelines. The first lifeline on the left contains a rectangular box labeled "EMULATE CALL SET-UP" with a reference number "108" to its right. The second lifeline on the right contains a rectangular box labeled "RESOURCE REALLOCATOR 109" with a reference number "112" to its right. The messages are as follows: 1. A message labeled "104" with an arrow pointing from the left lifeline to the right lifeline. 2. A message labeled "106" with an arrow pointing from the right lifeline back to the left lifeline. 3. A message labeled "110" with an arrow pointing from the left lifeline to the right lifeline. 4. A message labeled "114" with an arrow pointing from the right lifeline back to the left lifeline.
